PROFESSIONAL SUMMARY

Entry-level Video Editor and B.Tech Computer Science student with hands-on familiarity with CapCut, VN, KineMaster and Instagram Edits. Interested in creating engaging short-form videos for Instagram Reels, YouTube Shorts and social media. Familiar with trimming, pacing, transitions, captions and music synchronisation, with a willingness to learn brand styles, follow feedback and deliver edits on schedule.

VIDEO EDITING SKILLS

- Editing tools: CapCut (primary), VN, KineMaster, Instagram Edits.
- Editing capabilities: Short-form video editing, clip selection and trimming, transitions, captions, music synchronisation and pacing.
- Content formats: Instagram Reels, YouTube Shorts and social media videos.
- Supporting tools: ChatGPT, Gemini and DeepSeek for ideas, captions and creative assistance.

EDITING WORK & CONTENT CREATION

- Interested in editing raw footage into clear, engaging social-media videos with strong pacing and viewer-friendly structure.
- Able to incorporate captions, transitions, background music and feedback while maintaining the intended style of the content.
- Portfolio: Share relevant video-editing samples through the portfolio link above; add a dedicated folder or page of your best edits before applying.
